Tulsa, OK, 74115

11:30AM: Doors Open
12:00PM: Program and
Luncheon

Featured Speakers:

Jennifer Wise, Manager of Flight
Instruction at Southwest Airlines and
FAA Designated Pilot Examiner

Nan Gaylord, FAA Designated Pilot
Examiner

1:30PM: Adjournment and
Tour of BizJet

Pearl Carter Scott, Oklahoma's
First Female Aviator

Join the Oklahoma Airport Operators Association in partnership with the Oklahoma Aeronautics Commission, Tulsa International Airport, and BizJet as we celebrate the state's second annual **Women in Aviation & Aerospace Day**.

The luncheon, reserved for aviation and aerospace related enthusiasts, will provide an amazing opportunity to hear about current Oklahoma general, business, and commercial aviation, the future of our industry, and how we can advocate on behalf of aviation and aerospace for women across our State.

Register On **Eventbrite**
